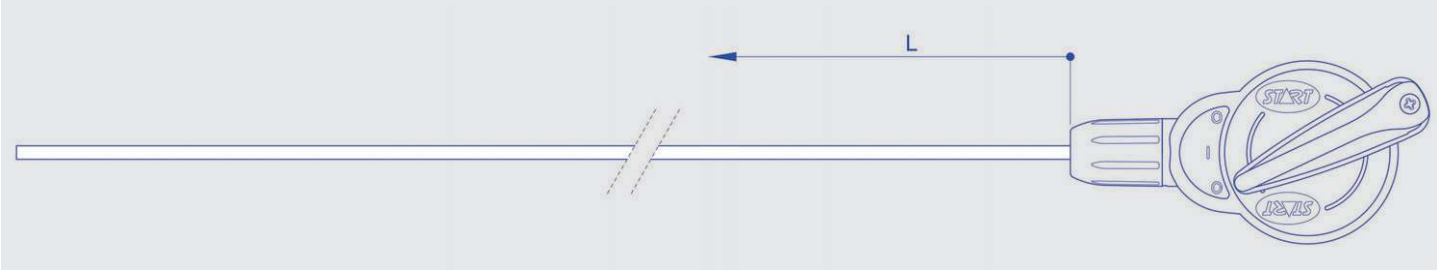
ORDER FORM FOR COMPATIBLE ELECTRIC CABLES
MODELS SM 100EL - SM180EL

To order:

The technical options that are represented on the opposite page are the standard personalizations which are provided from the company.
Among these possibilities, you can choose the cable construction that meets your requirements.
At first choose if you want the covered wires cut at sheath's edge or the covered out of sheath wires
and eventually select the corresponding terminals among the possible options.
Find out your preferences and fill in the boxes with the number or the letters/number corresponding to your options.
Example: if you choose the covered out of sheath wires and you want a loop on the blue wire as terminal, indicate the code 12 or 13 or 14, according to your needs.
And so on for other variables.
The same procedure must be used for the brown wire and then select the corresponding options.



To order: compose, please, your product code inserting the boldfaced code corresponding to the chosen option in the proper square.
